# Chairman's Statement

**Dear Shareholders,**

On behalf of the Board of Directors, I welcome each one of you to the Nineteenth Annual General Meeting.

The year gone by, has, indeed been one of the most challenging for the economies across the globe.

Against the backdrop of increasing economic integration, the global slowdown led to tightening of interest rates and a slowdown in economic growth in India. Despite this, the Indian economy is still expected to grow at over 7.5% for the coming fiscal, which is higher than most economies across the world.

In today's liberalized economy, the growth in domestic consumption has a direct impact on the logistics business, as logistics and supply chain management forms an integral part of the growth story.

The year 2009 was a difficult year for industry in general, and the air cargo industry was no exception. The slowdown in the macro-economic environment has a direct impact on logistics business as it is a clear barometer of the health of an economy and the movement of goods and services are critical for a strong economy.

However, despite falling volumes, the industry has collectively focused on cost cuts and higher value deliveries to minimise the losses faced and keep the business on track. In 2009, while global trade did suffer, India, being a consumer driven economy, was largely insulated from the global meltdown. Although the first two quarters of 2009 were affected significantly, the last two quarters saw substantial improvement, as well as an increase in volumes and the year ended on a more positive note.

The Finance Ministry has estimated the 2009-10 GDP to grow by 7.5% and is more optimistic on the growth for the next three years. Last year, India's GDP grew by 6.7%. Further, according to IMF estimates, the Indian economy will grow by 7-8% in 2010 and 2011, which will be second only to China. The advanced economies are expected to grow by 1-3% during this period.

With an improving global economy, backed by cost efficient measures adopted by Blue Dart, wider range of products and services and customer loyalty, Blue Dart completed 26 years of leading, innovating and delivering and is poised to continue delivering higher value services than most other players in the Industry.

The strength of a logistics provider company can be judged by the seamless service it can provide across the entire value-chain sought by the customer. It is here that your Company scores and stands well poised to benefit from the inevitable growth in the sector.

As South Asia's leading premier courier and integrated express package Distribution Company, your Company offers secure and reliable delivery of consignments to over 21,000 locations in India and to over 220 countries worldwide through its Sales Alliance with DHL Express (India) Pvt. Ltd.

Your Company posted a Rs. 6,070 lacs profit after tax for the year ended December 31, 2009 compared to Rs.7,735 lacs profit after tax for the year ended December 31, 2008. Income from operations for the year ended December 31, 2009 was Rs. 90,523 lacs, compared to Rs.97,447 lacs for the year ended December 31, 2008. The Board of Directors of your Company has recommended a dividend of 10% for the year ended December 31, 2009.

Your Company has a healthy financial position and I am indeed glad to inform you that it continues to enjoy "zero-debt" status. Despite an overall sluggishness in the market, your Company efficiently managed funds by investing into various high rated debt schemes of Mutual Funds for an optimum working capital management. Your Company continues to enjoy the highest credit quality ratings for its short-term debt programme.

Express Services are vital to the competitiveness of companies around the world. The Express Industry is the main link in the supply chain solutions of the Indian Industry. If not for the edge provided by the express companies, the phenomenal growth of exports across industry verticals would have been difficult. India is turning into a powerhouse of manufacturing outsourcing and express companies have an important role to play in this development.

An Industry focused approach is an integral aspect of our growth strategy and we are constantly innovating to provide customized solutions to industries such as Pharmaceuticals, Auto, Engineering etc.

Over the years, your Company has identified numerous new opportunities in the market through research, customer feedback and constant monitoring and analysis. This year was no different, and Blue Dart took advantage of those opportunities by introducing new products and services. Our customer touch points are always activated to know the pulse of the markets. A structured and disciplined gameplan for the collection of such feedback and a proactive approach to the same has enabled your Company to introduce the Time Definite delivery services - Domestic Priority 10:30, Dart Apex 12:00, Express Pallet - Air & Ground, Smart Box 10 and Smart Box 25 on ground Express, Economy Select, Duties & Taxes Paid, Shippers Interest Insurance and Pre-paid University Express.

Blue Dart as a brand has, today, become synonymous with value, quality, speed, efficiency, responsiveness and service excellence. Strong brands constitutes an integral part of the assets of an organisation and DHL and Blue Dart have worked together to maximise opportunities given the complementary strengths. Recently, we announced a common brand association, which is an external manifestation of our internal synergies. Blue Dart strengthened its brand association to bring two strong and powerful brands (Blue Dart and DHL) closer at all touch-points that deal with the domestic and international services.

Implementation of First Choice and Net Promoter Approach programs were designed to improve the service quality and ability to capture the 'Voice Of Customer' in a systematic way in order to bring in long-lasting customer benefits and strengthen the brand experience.

'First Choice' is an initiative that will transform the way we do business and enable us to consistently deliver a superior service experience to our customers to become their first choice. 'First Choice' is a systematic and sustainable approach to transform the business by aligning it to the customer's needs on a continuous basis. Blue Dart has adopted the Net Promoter Approach (NPA) process. NPA aims at gauging customer loyalty, and delivers a Net Promoter Score which is an international benchmark for customer advocacy. NPA is a two-step customer call process, which identifies customer issues that need to be addressed.

Since inception, your Company has invested in building an infrastructure across the chain from the point of origin to transit to the last mile, which gives it the competitive edge and an entry barrier. During the year, your Company strengthened its infrastructure base by setting up new facilities at GMR Hyderabad International Airport Ltd. (GHIAL) and Delhi International Airport Ltd. (DIAL). Your Company has an extensive reach across the Indian geography and beyond. This is possible through domestic warehouses, a fleet of four Boeing 757s and three Boeing 737s freighter aircraft offering a revenue payload of 300 tonnes per night, a flotilla of over 5,412 vehicles, 300 facilities, 52 domestic warehouses and 10 express hubs and over 6,000 committed and trained employees driven by an unified passion of delivering service excellence and value for its customers.

Your Company, today, stands as the unrivalled leader in the domestic express industry. Blue Dart stands as the dominant leader in the domestic air express industry and commands a 43% market share (source : A T Kearney). In the 'ground' segment, your Company improved its market share to 8%. Going forward we will focus on cost effective products and services which reduce timelines and increase the accuracy as the mode of delivery assumes secondary significance.

Our position as an industry leader was strengthened by accolades received from several industry bodies and customers. During the year 2009, Blue Dart won several awards to validate its Brand Equity and Leadership position, Human Resource Philosophy, Operational Efficiency and Corporate Governance. It is a matter of great pride for all of us that your Company has commenced the year 2010 with a positive note by bagging quite a few Awards and Recognitions. Blue Dart won the Customer and Brand Loyalty Award in the Logistics Sector at the 3rd Loyalty Awards and the IMM Eminent Organisation Award for Excellence for the year 2010 at the 37th World Marketing Congress. Mr. Anil Khanna, Managing Director, was honoured with 'Outstanding Entrepreneur Award' at the Asia Pacific Entrepreneurship Award 2009 by Enterprise Asia and 'CEO with HR Orientation Award' at the Global HR Excellence Awards 2010.

Your Company is a socially responsible corporate and continues to undertake numerous projects to enrich communities and the environment. Blue Dart has an in-house sustainability team responsible for identifying and addressing various sustainability issues and supporting initiatives that make the world a better place for future generations. Blue Dart's major focus areas are 'Education (Go Teach)', 'Environment (Go Green)' and 'Disaster Management Response (Go Help)'.

Your Company has consistently adopted high standards of Corporate Governance. The endeavour of your Company is not only to comply with regulatory requirements but also practice Corporate Governance Principles that lay a strong emphasis on integrity, transparency and an overall corporate accountability. Your Company continues to deliver value to its stakeholders through its people philosophy and Corporate Governance, based on distinctive customer service, business ethics, accountability and profitability.

Your Company is an organisation of strong leaders and talented and dedicated individuals. People are key to our success and our strength lies in our people and our cohesiveness as a team to pull in the same direction. Our employees continued to be the most vital pillar of success in all our endeavours. We shall continue with our consistent focus on the development of our people. Leading from the front has constantly propagated the 'People-First' philosophy in the organisation through encouraging creativity, innovation, entrepreneurship and empowerment.

Apart from numerous initiatives to recognise the efforts of Blue Darters, the Company, for the third year, announced 'Employee of the Year' Awards to recognize individual who display exceptional commitment and contributing to the organisation's growth.

Recently, Blue Dart was also recognised as an Organisation with innovative HR Practices in 2009-10 and received the Best Employer Award on Employee Retention. The Employee Satisfaction Survey participated by all Blue Darters continues to provide strong feedback on the employee motivation, policies and systems. As in previous years, it was heartening to note that on the parameter 'Pride for Working for Blue Dart', employees scored 4.82 (on a scale of 1 to 5) confirming the passion and drive.

I take this opportunity to thank all our people for their exemplary dedication and hard work and for rendering impeccable services to every constituent of our company's customers, without which our reputation for service excellence would not have been possible. Their unrelenting determination to succeed, even in a tough and fiercely competitive market environment, enabled us to build and sustain the financial stability of the Company. We continue to look forward to the support of our employees for the future growth.

At the end, I would like to conclude by reaffirming my commitment to ensure that your Company achieves its vision of being the best and set the pace while always being customer's First Choice. On behalf of the Board of Directors of Blue Dart Express Ltd. I thank all our customers, bankers, financial institutions, government authorities, business associates, channel partners and other constituents and stakeholders for their valuable support and unstinting co-operation.

I look forward to your continued support, trust and participation in the growth of the Company.

Warm regards,

Sharad Upasani  
Chairman

# The Story behind the Success

## Foreword ...

Over the years, Blue Dart has consolidated itself into a well-oiled, finely tuned machine that promises Just-in-time delivery of goods and services. While all of this entails a complex, integrated procedure with extensive and efficient detailing, stream mapping, networking and last mile fulfillment, our concentrated efforts have yielded fruit in the form of the immense confidence our clientele reposes in us.

The logistics industry in India, led by Blue Dart, today employs as many as one million plus people. The mushrooming of business enterprises in India has presented the logistics industry with a plethora of opportunities and an environment that is very conducive for the sustained augmentation of its resources.

Today, the size of this industry is estimated at between 12% to 13% of GDP – a figure higher than in many, more developed economies (Source: [www.researchandmarkets.com](http://www.researchandmarkets.com)). Fuelled by these opportunities the logistics sector is attracting investments in knowledge and technology in equal and growing measure. The government, too, has acknowledged it as a critical component of India's rise to international eminence and has also allowed 100 % Foreign Direct Investment (FDI) in the industry.

It has been over two and a half decades that Blue Dart has maintained its position of being an unrivalled leader in the domestic air express industry that is presently valued at Rs. 2600 crore (US\$ 540 million). Of the share garnered by the organised sector, Blue Dart commands 43% (Source: A.T. Kearney TMS Study and Internal estimates).

This market dominance must be attributed to the huge investments that Blue Dart has made towards building an infrastructure that is unparalleled in the entire South Asia region. Blue Darters are driven by a singular passion of delivering Service, Excellence and Value.

## Milestones....

This success story has been no mean task and along the way, Blue Dart has had to endure the formidable challenges of various magnitudes. However, bold steps to protect its hard-fought territorial gains paid off and when others in the domain were still trying to find their bearings, Blue Dart had already envisioned itself as a 'warehouse in the sky'.

It created a conspicuous differential for itself by establishing a niche position – and a hard-to-emulate example in supply chain management that demands critical deliveries, low inventories and most importantly, reliable and timely distribution.

With the induction of two B737 freighters in 1994, Blue Dart became the first express company to launch dedicated cargo operations. Over the years and in sync with customer demands, it increased capacity and, today, continues to be the largest and most successful player with a dedicated fleet of Boeing freighter aircraft.

Blue Dart's understanding of the medium and its sustained efforts towards introducing technological innovations has stood it in good stead and thus played a key role in ensuring its premium positioning besides bringing global standards to the Indian customers' doorstep.

Today, a majority of Blue Dart's customers make use of the company's home grown innovations like the COSMAT II™ (the tracking and ERP system), TrackDart™ (monitoring shipment status), MailDart™ (tracking shipments over e-mail), InternetDart™ (memory bank for shipments), PackTrack™ (tracking software for medium and large customers), ShopTrack™ (tracking and CRM tool for e-business portals) and ImageDart™ (online download of proof of delivery challans/documents, to speed up the customer's bill process, waybill issuance capability, customer directory, data upload and download of tracking information).

Each of these innovations have contributed towards enabling the weaving of thoughtful information management to the logistics business besides enhancing the levels of transparency in the procedures used by the company.

An Indian company benchmarked to international standards, Blue Dart has, over the years, won several accolades in the form of Brand Leadership Awards for trust, performance, infrastructure, human resources, financial reporting and reliability. The company has also received several supplier recognition awards for customer focus and service quality. Recently, Blue Dart was listed by Forbes under Top 200 Companies for "Best-under-Billion" companies in Asia Pacific, apart from finding a place of honour in the Top 500 companies in India by Dun & Bradstreet.

## **Where it all Began ...**

In November 1983, three young entrepreneurs, Clyde Cooper, Tushar Jani and Kushroo Dubash pooled in an amount of Rs. 30,000 to kick-start an idea of delivering small packages and samples to support India's burgeoning exports. Thus, Blue Dart was born, in a space of 200 square feet located under a staircase. Grit, determination and hard work helped propel the fledgling company from sorting and delivering a few dozen packages outside Mumbai airport on that first night, to handling nearly 200,000 shipments each day through rain, hail, earthquake and snow. A recent study conducted by DSRS confirms that Blue Dart continues to be rated as the strongest express brand in India with the highest top of the mind recall.

In its early days, Blue Dart forged ties with a UK based company to introduce an international air package express service from India, thereby further enhancing the value offered to its customers. Amongst the first to take note of the growth potential in India, in 1993, Blue Dart decided to shift focus from international to domestic service and then went on to become the first Indian courier company to conceptualise domestic on-board couriers with a guaranteed 10:30 am delivery to major metros.

In 1994, the company went public with an IPO of 2.55 million shares. In the same year Blue Dart launched its multi-modal, premium package delivery service DartApex™ (Air Package Express) and COSMATII™, an advanced tracking and ERP system that redefined the industry. 1994 also saw Blue Dart Aviation, then a 100% subsidiary of Blue Dart Express, being incorporated and it also became the first private company to receive Government approval for the operation of cargo aircraft in the country.

In 1995, Blue Dart Aviation acquired two B737 aircraft and introduced SMART (Space Management Allocation Reservations and Tracking), the first cargo reservations systems in India. The following year, Blue Dart launched the first Jet Express airline and became the first express company to receive an ISO: 9001 Certification. Another feather was added to its cap in 1995 when it crossed the Rs.100 crore (US\$ 25 million) mark in terms of turnover for the first time.

1997 witnessed the launch of domestic charter operations and the signing of interline agreements with international airlines for the distribution of bonded cargo within Blue Dart's network. Today, these have extended to numerous operators and include bonded warehousing and trans-shipment facilities. In 1998, the company developed India's first Load and Trim software for its aircraft, reducing handling time by 80%.

In 1999, Blue Dart moved to its state-of-the-art administrative, technology and operations Superhub and Headquarters, the Blue Dart Centre, in Mumbai. In 2001, a third Boeing 737 was added to the Blue Dart fleet. A year later, Blue Dart entered into a sales alliance with global leader DHL Express Worldwide and currently , DHL owns 81.03% stake in the company. The fourth aircraft joined the fleet in 2004 and Blue Dart became the first private operator in India to receive approval from the Director General of Civil Aviation (DGCA) for undertaking heavy maintenance D-checks on its aircraft.

Two B757 freighters – the first in the Indian skies – joined the Blue Dart fleet in 2006. In an effort to fortify its unique capability of offering the entire gamut of end-to-end distribution solutions, Blue Dart launched its ground express service – Dart Surfaceline in September 2007 and inducted the third B757 freighter.

In 2008 Blue Dart completed 25 years of facilitating trade and commerce. The land mark year also saw the launch of twenty-five new products and services to its customers. Notwithstanding, the difficult economic environment worldwide, including in India, the year 2009 saw a further consolidation of its leadership position with the introduction of a range of new products and services.

## **The Products..**

Blue Dart offers express air and integrated transportation, distribution and logistics services and as part of the DHL Group accesses the largest and most comprehensive express and logistics network worldwide and offers an entire spectrum of distribution services including international air express, freight forwarding, supply chain solutions and customs clearance.

The express services offer Domestic Priority-the fastest, most reliable door-to-door service for non-commercial domestic documents and small packages under 32 kilos. Dart Apex - door-to-door, day-definite, supply chain and logistics distribution service for commercial shipments that require regulatory clearance.

Dart Surfaceline, Blue Dart's premium ground express service provides economical, door-to-door ground distribution solutions. Smart Box, another innovative product which is available on air and ground express modes, are convenient door-to-door packaging available for cargo movement and is offered in two sizes – 10 kilos and 25 kilos.

Blue Dart's Air Freight services include domestic, early morning airport-to-airport deliveries to the seven metros – Mumbai, New Delhi, Kolkata, Chennai, Bangalore, Ahmedabad and Hyderabad, serviced by Blue Dart aircraft. It also includes Interline services for speedy and efficient trans-shipments of international loads among the major metros. It handles Dangerous Goods, subject to Bureau of Civil Aviation Security acceptance norms, handles the specialized movement of Aircraft Engines across the country and its Charters offer palletised capacity for carriage of urgent and large volumes to major airports in the country and region.

**Handheld Scanner**

**OTM**

Blue Dart, in line with its focus on innovation, has also introduced several customised products –Rakhi Express and University Express (Domestic), for instance – designed to meet specific needs. A recent addition to Blue Dart's product portfolio is Import Express. It is the only service of its kind in India and offers door-to-door facility for importing shipments from over 200 countries.

### **Recent Developments**

Blue Dart's constant endeavour has been to be a customer-centric organisation. Every step it has taken, has always directed towards strengthening this relationship. In this pursuit, Blue Dart has invested heavily in building an infrastructure that would provide unmatched value and inspire an unquestionable level of confidence amongst its clients.

Two of Blue Dart's robust customer centric programmes are First Choice & Net Promoter Approach (NPA). First Choice follows a DMAIC (Define, Measure, Analyse, Improve and Control) process which helps in systematic, enduring problem solving process while NPA, a Bain & Co. evolved tool aims at gauging customer loyalty, and delivers the NPS (Net Promoter Score), which is an international benchmark for customer advocacy.

For time-critical business needs, customers are offered a time-definite delivery (TDD) door-to-door service – Domestic Priority 1030 and Dart Apex 1200. While the TDD service is currently available in limited cities only, it is notable that the same is backed with a full Money Back Guarantee from the company.

Blue Dart's launch of the domestic Express Pallet in air and ground mode providing superior and sturdy packaging option for 50kg, 75 kg and 100 kg slabs have also been very well received by users of the logistics industry.

Over the years, while the company has moved on from one benchmark to the next, it has continued to invest in air and ground infrastructure comprising improvements in transit times, reach, adding state-of-the-art facilities, transit hubs, and high-tech handling equipments.

On-the-Move (OTM) is one such advanced technology deployment that has strengthened shipment visibility. It provides real time information updates and controls, accurate data improving productivity and eliminates errors from the system and in the process, further enhances customer experience.

### **Promotion**

Blue Dart's core focus has been on strengthening customer relationship and on making more effective use of its vehicles as mobile touch points. Blue Dart successfully runs a loyalty programme – Blue Points: Amazing Returns to provide customers value while making shipments through Blue Dart. As part of its ONE-RETAIL focus, the company regularly runs a retail store promotion drive across the country.

### **Values..**

Blue Dart's dedicated efforts towards creating and maintaining a bond with its customers has paid off and today the Blue Dart brand is synonymous with value, quality, speed, efficiency, responsiveness and service excellence.

## CORPORATE SOCIAL RESPONSIBILITY

### An Investment for a Better Tomorrow

Blue Dart's commitment towards community causes has been unwavering since its inception in 1983 and has been an integral aspect of its business strategy.

Blue Dart as a socially responsible corporate has a dedicated, in-house Sustainability Team responsible for identifying and addressing various sustainability issues and supporting initiatives.

Blue Dart's perception of Corporate Social Responsibility (CSR) is embedded in the way it does its business which has a positive impact on society through economic, environment and social actions.

Blue Dart believes that with increasing connectivity and global integration, enterprises and society will have to be mutually accountable to ensure long term sustainability and hence it is no longer a discretionary or a regulatory cost but an investment towards prosperity.

As part of the DHL Group & in line with its CSR platform, Blue Dart's CSR strategy focuses on three critical aspects, which it believes, will impact maximum lives.

- Education (Go Teach)
- Environment (Go Green)
- Disaster Management Response (Go Help)

### Education – Empowering Lives

Blue Dart in association with Oasis India (NGO) started an initiative called "Blue Edge – Empowering Lives", which is aimed at enriching the lives of underprivileged young adults, who have not been able to complete their education. Through this initiative Blue Dart enables around 50 students every six months, by providing them training on:

- i) English speaking.
- ii) Computer Basics.
- iii) Life skills.
- iv) Customer Orientation.

More than 40% of the students who have graduated from this facility are placed in successful & reputed organisations in sunrise verticals like Telecom, Retail, FMCG etc. and have effectively kick-started their potentially flourishing careers. Blue Dart's initiative is aimed at developing skills sets in an individual which will meet the demands of a knowledge based economy and thereby enrich their lives.

The program meant to support, educate and train underprivileged youth has empowered and given optimism to more than 220 students over the past 2 years by making them self sufficient.

Students who have successfully completed their course are felicitated at a graduation ceremony held at the Blue Dart Headquarters. As a last mile initiative, the Senior management of Blue Dart is invited for the occasion, to share their life experiences with the students and advise them on making their lives more meaningful with their newly acquired skill sets. This is followed by a handover ceremony, in which all successful students are handed over their graduation certificates. The two best performers in each batch are acknowledged with a special certificate and trophy as a token of appreciation for their hard work and dedication.

### Environment – Enriching Lives

One of the biggest concerns facing today's world is global warming. A warmer Earth may lead to changes in rainfall patterns, a rise in sea level, and a wide range of impacts on plants, wildlife, and humans. The main cause of Global Warming is emission of CO<sub>2</sub>.

# Blue Dart - CSR Initiatives

Blue Dart has taken cognizance of this development and believes that all corporates need to take up such environmental issues with utmost seriousness to ensure a better and healthier tomorrow. We at Blue Dart have fervently taken up various steps in this regard, which can be summed up as our 'Go Green' initiative. It comprises:

- Sapling plantation
- Mangrove Clean-up
- Recycling Waste
- Energy Conservation

Eg. Power Saver: Lights Off Initiative, in which lights at various facilities of Blue Dart are switched off for 15 min every day. This is in addition to the 1 hour 'lights off' program for Earth Day and World Environment Day across all Blue Dart facilities and employee homes.

Blue Dart also volunteered to handle the entire logistics of an award winning painting exhibition organized by Bombay Art Society in collaboration with SLK Foundation (NGO). The proceeds of the exhibition went towards the welfare of the rag picker community and towards the environmental cause of recycling plastic waste. Blue Dart also supported the NGO in distributing pamphlets bearing the message of recycling plastic waste, thus creating awareness on the environmental hazards of plastic.

In the Company's opinion, such initiatives towards a healthy environment will act as a catalytic force for a better tomorrow.

## Disaster Management - Enabling Lives

Blue Dart in association with Think Foundation (NGO) and Sarla Blood Bank regularly holds Blood Donation Drives at its facilities, to help young Thalassaemia patients, who need blood transfusion every 15 days to survive.

In October 2009, when floods at Andhra Pradesh and Karnataka adversely affected hundreds of lives, Blue Dart was quick to do what it is best at – Logistics Management.

The Company called for support from its Group Company - DHL. Teams from Blue Dart Express and Blue Dart Aviation, DHL Express and DHL Supply Chain worked out a detailed plan to reach the relief material to the affected areas of Karnataka and Andhra Pradesh.

The X-BU Team bought all the necessary materials like food, blankets and medicines from the individual contribution of employees. They were packed well and connected via rail. Volunteers from the X-BU Team were themselves part of the distribution process, handing over 34 packages weighing about 1000 kgs to the flood affected people.

## Other Activities

- DHL and Blue Dart jointly organized a Volunteer Day 2009 on 5th September 2009, to promote the spirit of volunteerism amongst its employees in India. 2,000 DHL and Blue Dart volunteers in 8 major cities and 31 sites across India participated in 21 volunteering activities.
- 14 blood donation drives (Saving Lives) were held at Blue Dart and DHL facilities, which resulted in collection of approx 275,000 ml of blood in 800 bottles that impacted over 2, 400 lives. Nearly 8 tons of reusable materials were collected through a unique resource mobilization drive for donation to the underprivileged and needy. Other activities undertaken were clean up drives, mending toys for underprivileged children, sapling plantation and visiting charity homes for children and elderly citizens, in which our volunteers cleaned, entertained and donated useful items to the beneficiaries.
- Blue Dart also volunteered to facilitate free movement of shipments containing clothes, books, tooth brush, tooth paste and other hygiene products, from Mumbai to underprivileged students in Nagai village, Tamil Nadu.
- Blue Dart organized the 'Help a Child' initiative to mobilize resources from across the regions and give 'gifts' to deprived children during the festive season of Christmas, 2009. The gifts comprised 20 bags of donations – clothes, woolen clothes, toys, books, stationery, bags, shoes, lunch boxes, water bottles, soaps, shampoos, toothpaste, etc. This was distributed in 6 orphanages catering to around 400 children, between 3rd – 6th January 2010.

### REVIEW OF PERFORMANCE

The year 2009 has been one of the most challenging years for the global economy. The fiscal year 2008-09 began amidst one of the severest financial slowdowns worldwide, which decelerated the economic growth of India to 6.7%. While the market witnessed a sharp slowdown in new investments, the rise in inflation and high interest rates led to cancellation and delay of many planned projects of Corporate India. To counter this negative fallout of the global economic slowdown, the Indian Government infused boosters to the economy by providing stimulus

packages which supported to ease the scenario to a considerable extent and prevented the economy from getting into a spiral downturn and propped the GDP growth to 6.7% as against 9% growth rates in the immediate previous three years.

During an adverse economic scenario, your Company posted a Rs.6,070 lacs profit after tax for the year ended December 31, 2009 compared to Rs.7,735 lacs profit after tax for the year ended December 31, 2008. Income from operations for the year ended December 31, 2009 was Rs. 90,523 lacs, compared to Rs.97,447 lacs for the year ended December 31, 2008.

In the year 2009, your Company completed 26 years of leading, innovating and delivering the qualitative services to the Indian trade and commerce. The Company focused on organic growth in the areas of product development, improved features and transit time and enhanced reach. During the year, your Company incessantly concentrated on its core Air Products, i.e. Domestic Priority and Dart Apex, while building on Dart Surfaceline to offer customers one-stop domestic express solutions and simultaneously aimed to grow its international express revenue. Your Company launched the 'Cash-on-delivery' feature, Smart Box on Ground Express and the Time Definite Products viz; Domestic Priority 1030 and Dart Apex 1200. Your Company also customised its products to meet specific needs and rolled out certain additional and an innovative DHL international products and services viz; Express Pallet, Economy Select, Duties and Taxes Paid, Shippers Interest Insurance and Pre-Paid University Express.

The strategy is to build on the Air Express business where your Company already has a formidable presence while expanding the Ground Services and capturing further market share.

Your Company has been certified to the ISO 9001 standards since 1996 and has been successfully re-certified in September 2008 for 3 years, to the new global ISO 9001-2000 standards for "design, management and operations of countrywide express transportation and distribution services within the Indian sub-continent and to international destinations serviced through multinational express companies."

Your Company has been recently certified and upgraded to the latest ISO 9001 : 2008 standards.

### DIVIDEND

Your Directors are pleased to recommend a dividend of Re. 1/- per equity share of Rs.10/- each.

Your Directors wish to conserve resources for future expansion and growth of the Company.

The dividend, once approved by the members at the ensuing Annual General Meeting, will be paid out of the profits of the Company for the year and will sum up to a total of Rs. 277 lacs, including dividend distribution tax, as compared to Rs. 277 lacs in the previous year.

# DIRECTORS' REPORT

## TRANSFER TO RESERVES

This year, your Company does not propose to transfer any amount to General Reserves. An amount of Rs.36,221 lacs is proposed to be carried forward to Profit and Loss Account.

## OPERATIONS REVIEW

Your Company is South Asia's premier courier and integrated express package distribution Company and offers secure and reliable delivery of consignments to over 21,000 locations in India and to over 220 countries worldwide through its Sales Alliance with DHL Express (India) Pvt. Ltd.

Your Company, today, stands as the unrivalled leader in the domestic express industry. Blue Dart stands as the dominant leader in the domestic air express industry and commands a 43% market share. In the 'ground' segment, your Company garnered a market share of 8%. Your Company since inception invested in building an infrastructure which remains unmatched in the country and in South Asia region. Your Company has an extensive reach across the complex Indian geography and beyond, domestic transit hubs/ warehouses, a fleet of four Boeing 757s and three Boeing 737s freighter aircraft offering a revenue payload of 300 tonnes per night, a flotilla of over 5,412 vehicles, 300 facilities, 52 domestic warehouses and 10 express hubs and over 6,000 committed and trained employees driven by a unified passion of delivering service excellence and value.

During the year under review, your Company carried over 772.65 lacs domestic shipments and over 7.18 lacs international shipments weighing over 267,000 tonnes.

## AVIATION SYSTEM

The Company's ACMI Contract with Blue Dart Aviation Limited, its Associate Company for dedicated air carriage capacity supported in sustaining Blue Dart's leadership position despite turbulence in the Indian aviation segment giving an edge to its service capability and service quality vis-à-vis other players in the business.

Blue Dart Aviation Ltd. posted an excellent technical despatch reliability (TDR) of 98.99% for the B737 and 99.28% for the B757 fleet, with an overall TDR of 99.19%, during the year.

With the volume growth being low due to the slowdown which impacted the domestic movement of loads, your Company restructured its routing and discontinued the Ahmedabad - Delhi - Ahmedabad route for part of the year. During the year, Blue Dart Aviation Ltd., successfully carried out in-house four numbers of 'C' checks on our B737 and B757 freighters.

Blue Dart Aviation Ltd. has been allotted space at Delhi International Airport Ltd. (DIAL), GMR Hyderabad International Airport Ltd. (GHIAL) and at Kolkata Airport. The construction of these facilities is progressing well. The Company proposes to move to DIAL, GHIAL and Kolkata facilities by the first quarter of the year 2010.

## FACILITIES / INFRASTRUCTURE

During the year, your Company added 13 new and 10 replacement facilities, taking the total number of facilities to 300, with a total area of over 13.4 lacs sq.ft. across the country. Your Company plans to further strengthen its infrastructure, including its air and ground fleet.

The Company's integrated facility of 220,757 sq.ft. at the Bengaluru International Airport Ltd. (BIAL), along with DHL Express and Blue Dart Aviation Ltd. has been functioning well. This facility provides faster clearance and seamless handling of in-bound and out-bound international and domestic shipments which has strengthened the unparalleled global and domestic delivery network of DHL Express and Blue Dart Express Ltd.

During the year, your Company moved to its new warehouse having an area of 182,326 sq.ft. out of which 75,000 sq.ft. is allocated for Operations. This warehouse named 'National Highway Hub' (NHH) is located at Bilaspur (District : Gurgaon) in Haryana on National Highway no. 8 connecting Jaipur-Delhi and is in close proximity to KMP (Kundali-Manesar-Palwal) Express Way/ Trade Corridor. The warehouse, having 41 docking bays, has been built to suit your Company's operational requirements.

The Company proposes to carry out joint operations of Blue Dart Express Ltd. and Blue Dart Aviation Ltd. from an airside space allotted at Kolkata and this joint facility would provide for synergies resulting in better offerings to the customers.

During the year, the Company opened a warehouse at Guindy (GWH) on Chennai – Bangalore Highway. This warehouse is well connected to the Chennai- Bangalore highway, Grand South Trunk Road (South TN) and Kolkata Highway. Guindy Warehouse has 13 loading/unloading bays with 23,000 sq.ft. of constructed warehouse apart from 10,000 sq.ft. area for vehicle docking.

This focused approach in terms of infrastructure facilities provides us a huge entry barrier shield in terms of first mile to last mile services.

## FINANCE

The Company's New Financial Accounting Package viz; mPower implemented last year has been successfully integrated, specially customised and enhanced to suit the Company's complex requirements and for better and efficient Accounting Systems. This Financial Accounting Package is an integrated Central Package and ensures single source of data for majority of the financial MIS. It is a centralised, integrated, secure, robust and user-friendly package that has enhanced quality and integrity of data. The implementation of mPower has resulted in cost, time savings and productivity increase. The system provides information and intelligence on a real-time basis.

Your Company has a healthy financial position and continues to enjoy "zero-debt" status.

## DIRECTORS' REPORT

During the year, your Company managed its surplus funds efficiently by investing into various high rated debt schemes (liquid category) of mutual funds for optimum working capital management. Liquidity in the Balance Sheet requires to be balanced between earning adequate returns and the need to cover adequate financial risk. Company's internal accruals adequately supported working capital requirements, capital expenditure and dividend payments.

During the challenging times, in the global and domestic market, your Company efficiently managed its working capital, which is the best in the industry and within the benchmarks laid down by the Global Parent Group.

The Company's Earning Per Share declined by 22% during the year to Rs.25.58 per share as compared to Rs 32.60 per share for the previous year, primarily on account of the global economic slowdown.

### CREDIT RATING

Your Company continues to enjoy the highest credit quality rating for its commercial paper programme/ short-term debt programme:

1. "A1+" (A one plus) assigned by ICRA Ltd. (an Associate of Moody's Investors Service) for Company's commercial paper/ short-term debt programme of Rs. 2,500 lacs (outstanding - nil). The rating indicates highest credit quality for the short term instruments.
2. "F1+ (ind)" (F one plus (ind)) assigned by Fitch Ratings India Private Ltd. for the Company's short-term programme of Rs. 3,000 lacs (outstanding - nil), indicating the strongest capacity of timely payment of its financial commitments.

ICRA has assigned LAA (L double A) (long term rating) to the Company's Bank limits (working capital) of Rs. 3,615 lacs (including fund based and non- fund based limits). The rating indicates the high credit quality rating to long term debt instruments. ICRA also assigned A1 + (A one plus) (short term rating) for the said limits. The rating indicates highest credit quality rating assigned by ICRA to short terms instruments and carries lowest credit risk.

### SUBSIDIARY AND ASSOCIATE COMPANY

The audited statements of accounts for the year ended December 31, 2009 of Concorde Air Logistics Ltd., the Company's Wholly-Owned Subsidiary, together with the reports of Directors and Auditors, as required pursuant to the provisions of Section 212 of the Companies Act, 1956, are attached.

The Consolidated Financial Results represents those of Blue Dart Express Limited and its Wholly-Owned Subsidiary, viz. Concorde Air Logistics Ltd. and its Associate Company, Blue Dart Aviation Ltd. The Company has consolidated its results based on the Accounting Standard on Consolidation of Financial Statements (AS-21) and Accounting Standard on Accounting for Investments in Associates in Consolidated Financial Statements (AS-23) issued by the Institute of Chartered Accountants of India.

### DHL EXPRESS (SINGAPORE) PTE. LTD., PROMOTER SHAREHOLDER

As you are aware, DHL Express (Singapore) Pte. Ltd. holds 81.03% of the Equity Capital of the Company. The acquisition of majority shares by DHL Express (Singapore) Pte. Ltd., during the year 2005 provides the Company and its customers with a firm strategic advantage. The service offerings that would emanate from both organisations cover the entire spectrum of distribution within India and, between India and the rest of world. Blue Dart is a leading brand in the country with unmatched domestic network, infrastructure and people. DHL is an acknowledged global leader with a strong and long-standing presence in India. Together, both present a powerful backbone to business and trade success for India and its trading partners.

Globally, the year 2009 was a challenging year for Deutsche Post DHL. However, to protect profitability, Deutsche Post DHL promptly focused on cost efficiency and restructuring in its divisions. Deutsche Post DHL has re-aligned its course and invested for the future in two important ways; by creating lean, resilient structures for an unpredictable economy and by laying the groundwork for long-term growth in the key industries and markets.

### OUTLOOK FOR THE FUTURE

Your Company is ideally placed in the Indian market to facilitate trade and commerce in our country, with trained and committed force of over 6,000 people, latest state-of-the-art technology, integrated air and ground infrastructure, wide geographical coverage to support India's growth and development, distribution and third party logistics and supply-chain management needs of the industry.

The Indian economy, with its strong fundamentals, has managed to tide over the global downturn with greater resilience than many other countries, as indicated by its GDP growth. Going forward, many economists believe that the economic recovery will be driven by a new phenomenon – growing consumer spending in emerging markets, with India at the forefront.

The Indian economy is well on its way to recovery and as projected by the Finance Minister, Indian economy is expected to grow by 7.5-8.0% in the current fiscal. The strong IIP growth from November 2009 till January, 2010 is reflective of the improving consumer confidence and the impact of the government stimulus package on demand, even as the low base effect also continues to play a role. With inflationary pressures building up at the initial stages of recovery in the domestic economy, choosing the right time for withdrawal of the fiscal and monetary stimulus remains a major challenge for the policymakers. As per the India Economic Outlook Report by Organisation for Economic Co-operation and Development (OECD), inflation is projected at 7.3 percent growth in 2010 and 7.6 percent in 2011. Retail inflation, which pinches consumers the most, is pegged at 7.1 percent in 2010 and at 6.2 percent in 2011. It indicates that the economic momentum is strengthening.

## DIRECTORS' REPORT

In 2010, your Company's key focus areas would be Sales Development and Productivities, Service Quality Enhancement, Loyal Customers, Profitability and Motivated People.

Your Company would continue to focus on cost efficiency measures and aim at an overall financial discipline. Your Company firmly believes that while focus on driving core revenues and keeping costs down is important, success would be achieved by ensuring that service quality through our highly engaged and passionate people remains of the highest order.

Your Company plans to consolidate its position in the ground express services without losing commitment to its air express products, which would continue to be one of its key offerings. Your Company foresees both the products complimenting each other and thereby enabling the Company to acquire maximum market share. With increased government focus on infrastructure, Tier 2 and Tier 3 cities are developing faster than earlier. There are 71 cities in India with a population of more than 1 million and reaching out to these cities require good connectivity, both, in air and on road. In an increasingly competitive environment, cost centre management is a prime focus area and an increased reach and transit times are potent arsenals for reduced costs. The emergence of SEZs, EPUs and IT parks also present exciting prospects for our new service offerings. The focus is on reducing lead times and enhancing accuracy as regards delivery time across modes of delivery.

Your Directors look forward to improved performance over the coming years.

Information on the particulars of employees' remuneration as per Section 217(2A) of the Companies Act, 1956, read with Companies (Particulars of Employees) Rules, 1975, forms part of this Report. However, as per the provisions of Section 219(1)(b)(iv) of the Companies Act, 1956, the report and accounts are being sent to all shareholders of the Company, excluding the Statement of Particulars of Employees which is available for inspection at the Registered Office of the Company during working hours. Any shareholder interested in such particulars may inspect the same.

## PARTICULARS REGARDING CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND EXPENDITURE

The particulars regarding foreign exchange earnings and expenditure are annexed hereto as Annexure "A" and forms part of this Report. Since your Company does not own any manufacturing facility, the other particulars relating to conservation of energy and technology absorption stipulated in the Companies (Disclosure of Particulars in the Report of the 'Board of Directors' Rules, 1988) are not applicable.

## CORPORATE SOCIAL RESPONSIBILITY

Your Company as a socially responsible corporate has undertaken numerous steps to give back to the society, in whatever small way it can.

Blue Dart's commitment towards community causes has been unwavering since its inception in 1983. The organisation completed 26 years in November, 2009. Blue Dart as a socially responsible corporate has an in-house sustainability team responsible for identifying and addressing various sustainability issues and supporting initiatives that make the world a better place for future generations. As part of the DHL Group and in line with its CSR platform, Blue Dart's major focus areas are:

- Education (Go Teach)
- Environment (Go Green)
- Disaster Management Response (Go Help)

DHL and Blue Dart jointly organised 'Volunteer Day' 2009 on 5th September 2009 to promote the spirit of volunteerism amongst its employees in India. Over 2,000 DHL and Blue Dart volunteers in 8 major cities and 31 sites across India participated in 21 volunteering activities.

During the year, 14 blood donation drives (Saving Lives) were held at Blue Dart and DHL facilities, which resulted in collection of approx. 275,000 ml. of blood in 800 bottles that supported over 2,400 lives. Nearly 8 tons of reusable materials were collected through a unique

resource mobilisation drive for donation to the underprivileged and needy. Other initiatives undertaken were clean up drives, mending toys for underprivileged children, sapling plantation and visiting charity homes for children and elder citizens, in which our volunteers cleaned, entertained and donated useful items to the beneficiaries.

The Company also volunteered to facilitate free movement of shipments containing clothes, books, tooth brush, tooth paste and other hygiene products, from Mumbai to underprivileged students in Nagai village, Tamil Nadu.

The Company also organised 'Help a Child' initiative to mobilise resources from across the regions and gave 'gifts' to deprived children during the festive season of Christmas, 2009. # REPORT ON CORPORATE GOVERNANCE

## 1. Blue Dart's philosophy on Corporate Governance

Corporate Governance is the mechanism by which the values, principles, policies and procedures of the organisation are inculcated and manifested. The essence of Corporate Governance lies in promoting and maintaining integrity, transparency and accountability throughout the organisation.

The Board of Directors of the Company continues to lay great emphasis on the broad principles of Corporate Governance. For Blue Dart, Corporate Governance is a continuous journey, seeking to provide an enabling environment to harmonise the goals of maximizing stakeholder value and maintaining a customer-centric focus.

The basic philosophy of Corporate Governance at Blue Dart is to achieve business excellence and to create and enhance the value for its Shareholders, Customers, Employees and Business Associates and resultantly make a significant contribution to the economy. Blue Dart Corporate Governance principles uphold its standing at the forefront of Corporate Governance best practices. The Company endeavours to not only match international standards but to become a benchmark as regards Corporate Governance initiatives.

Blue Dart perceives Corporate Governance as a necessary tool to enhance the economic health of a Company and more importantly that of the society at large. As a responsible corporate citizen, Blue Dart complies with the applicable laws of the land in letter as well as in spirit.

In recognition of good Corporate Governance practices adopted by the Company, Blue Dart, for the third time in a row, was selected as one of the top 25 companies adopting good Corporate Governance practices by The Institute of Company Secretaries of India. This validates the high standards of Corporate Governance adopted by us.

## MANAGEMENT DISCUSSION AND ANALYSIS

### Industry Structure and Developments

A well-developed Logistics Industry is important for the success and overall growth of the economy coupled with an efficient Supply Chain Management system. It provides a competitive edge to industry players. Logistics has always been perceived as a cost centre, and across industries efforts are being made to manage cost and especially so in the wake of the global economic downturn.

Notwithstanding the economic slowdown, the Indian economy posted growth of 6.7% in 2009<sup>1</sup>. This is the second highest economic growth rate after that of China which grew by about 8%<sup>2</sup> in 2009. India is being globally recognized as an outsourcing hub (in Manufacturing and Services sectors). As a result, there is an increased demand for efficient logistics services in India, leading to the growth and transformation of this sector. The logistics sector has been growing at 7%<sup>3</sup> per annum for the last few years and the overall Indian logistics spend is estimated to be approximately Rs. 5 trillion which is about 13%<sup>4</sup> of the country's Gross Domestic Product. This is significantly higher than those of the developed nations where it averages approximately 7%<sup>3</sup>.

The logistics industry in India is highly unorganized; there are a large number of players present across the value chain. The players from the unorganized sector are more dominant in the road and air modes of transport. In road transport, the market is highly fragmented with small fleet owners, individual truck owners, etc., holding the majority share. In the air mode, apart from express companies, there are passenger airlines with their belly space, freight forwarders, etc.

With increased government focus on infrastructure, tier 2 and tier 3 cities are developing faster than ever before. There are 71 cities<sup>5</sup> in India with a population of more than one million. Reaching out to these cities requires good connectivity, both by air and on road. The Indian express market (a part of the logistics services market) has been doing that and is growing at a CAGR of 17.2% and is estimated to be Rs. 7.6 billion<sup>6</sup> for 2009-10. The domestic organized express market is about 30%<sup>6</sup> of this. The unorganized and semi-organized segments consist largely of regional and intra-city service providers. In an increasingly competitive environment, cost centre management is a prime focus area, and increased reach and transit times are potent arsenals for reduced costs. The Government's focus on the Golden Quadrilateral and enhancing Freight Corridors will further enhance our prospects given our market leadership position.

Express Industry provides the speed and reliability to meet the mature and aggressive demand of current markets and their customers who exhibit short-attention spans and are exposed to many alternatives. We at Blue Dart have identified this latent customer need that requires speedy and reliable door-to-door services and have been serving our customers for the last 26 years by partnering them in their growth

and success stories. Blue Dart stands as the supreme leader in the domestic air express industry and commands a market share of 43%<sup>7</sup>. This dominant position must be attributed to the huge investments that Blue Dart has made in building an unmatched infrastructure in the South Asia region which provides the stability to its business model.

### Review of performance

With the global downturn looming large in the year 2008-09, the Government of India infused boosters to the economy by providing stimulus packages. This prevented the economy from getting into a downward spiral and propped the GDP growth to 6.7%<sup>1</sup> which was in stark contrast to the 9%<sup>1</sup> growth rates in the previous three years. The downturn, coupled with high food inflation and interest rates, translated into reduced consumer demand during 2009. This, in turn, resulted in reduced transportation and drop in aircraft space utilization which impacted Blue Dart also.

On November 19, 2009, Blue Dart completed 26 years of leading, innovating and delivering. The year 2009 was one of the most challenging in the history of Blue Dart in terms of market conditions and business sentiments. As a prudent organization, we focused on delivering on our core products, i.e., Domestic Priority and Dart Apex, while building on Dart Surfaceline to offer customer one-stop domestic express solutions whilst growing Blue Dart's international revenue. In addition to this, we launched numerous products and services to cater to the Time-Definite segments and specific industry verticals which we believe will bring in scalability.

During the year, Blue Dart added 13 new and 10 replacement facilities. The total across the country now stands at 300 facilities, a ground fleet of over 5412 vehicles, 52 domestic warehouses and 10 express hubs. Blue Dart's market share in the organized air express market reiterates its undisputed position. Blue Dart also augmented its ground express space through its Dart Surfaceline product and plans to achieve market leadership in short- to medium-term.

Blue Dart, with four Boeing 757s and three Boeing 737s, has the unique capability to offer an unrivalled payload of 300 tonnes each night on 60 route connections across an expansive and diverse Indian geography. To capitalize on the improving road infrastructure in the country and in continuation to the thrust on the ground product – Dart Surfaceline, Blue Dart strengthened the ground network to serve the growing needs of the market and since its launch, has expanded its reach to 21,000+ domestic priority locations and 596 ground routes in India. During the year 2009, Blue Dart carried over 772.65 lacs domestic shipments and over 7.18 lacs international shipments both weighing over 267,000 tonnes.

The Company posted a Rs. 6,070 lacs profit after tax for the year ended December 31, 2009, compared to Rs. 7,735 lacs profit after tax for the

## MANAGEMENT DISCUSSION AND ANALYSIS

year ended December 31, 2008. Income from operations for the year ended December 31, 2009 was Rs.90,523 lacs, compared to Rs.97,447 lacs for the year ended December 31, 2008.

### Products:

Blue Dart offers air and ground express, air freight, and charters and through its synergies with the three DHL Business Units – DHL Express, DHL Global Forwarding and DHL Exel Supply Chain- offers ocean freight, supply chain solutions, freight forwarding, customs clearance, and project handling capabilities.

The express service offers Domestic Priority for non-commercial documents and packages under 32 kg. Dart Apex™ is a door-to-door, day-definite supply chain and logistics distribution service for commercial shipments that require regulatory clearance. Dart Surfaceline is a premium door-to-door service providing an economical option of shipping packages via Blue Dart's strong and expansive ground network. Smart Box – Air and Ground Express – is the convenient door-to-door service in two sizes – 10 kg and 25 kg. Freight services include domestic, early morning airport-to-airport deliveries to the 7 metros: Mumbai, New Delhi, Kolkata, Chennai, Bangalore, Ahmedabad and Hyderabad serviced by Blue Dart aircraft.

Blue Dart has 'interline' agreements with various international airlines and also offers bonded warehousing and transshipment facilities. 'Charters' offer palletized capacity for carriage of urgent and large volumes to multiple airports in India and international airports in the region.

Rakhi Express and University Express (International)/Student Express (domestic) meet the seasonal needs of consumers. 'Freight on Delivery' (FOD), 'Demand draft on Delivery' (DOD) and 'Freight on Value' (FOV) are others which have been very well-received by the market. Import Express is the only importing service in India to offer a door-to-door facility for importing shipments from over 200 countries around the world. Intra – SAARC Road Express is a ground service between India and Bangladesh.

Blue Dart, in line with this focus on innovation, has also come up with customized products to meet specific needs and rolls out certain additional international products and services from DHL like Express Pallet - Air & Ground, Economy Select, Duties & Taxes Paid, Shippers Interest Insurance and Prepaid University Express.

On the domestic front, Blue Dart has launched the 'Cash-on-Delivery' product, Smart Box on Ground Express and the Time-Definite products – Domestic Priority 1030 and Dart Apex 1200. The Time-Definite services are backed by full money back guarantee.

Blue Dart is the only express company that offers an unmatched delivery capability encompassing the entire spectrum of distribution services wherein lies its unique business proposition.

### A Customer Centric Brand

During the year, the Company reinforced the Blue Dart and DHL brands as a unified force at all touch-points that deal with the domestic and international services in the marketplace. This was done by strengthening its retail format with combined 380+ ONE-RETAIL stores in the country, which today remains unparalleled in terms of presence across the country. The First Choice and Net Promoter Approach programmes continue to be a guiding force to improve the service quality and ability to capture the VOC (Voice of Customer) in a systematic way in order to bring in long-lasting customer benefits and strengthening the brand experience. To further strengthen and sustain the premium and thought leadership position in the marketplace, the Company made its presence felt at key events, seminars and media through media one-on-ones, media releases, by-line articles, contributory articles, speaking opportunities, branding activities, etc. These initiatives ensured that Blue Dart was visible in top-notch events and mediums. In 2009, Blue Dart achieved the highest ever Share-of-Voice of 53%. On the Corporate Social Responsibility (CSR) front, Blue Dart aligned its efforts on three key pillars: Education, Environment and Disaster Management. The 'Blue Edge - Empowering Lives' programme, now a 6-month course, continues to impact young lives from the marginalized segment of our society. Blue Dart participated in various efforts to put various environmental concerns in spotlight through events like Earth Day, Volunteer Day, Power Saver-Initiative, Go-green drives, etc. In spite of new entrants, Blue Dart continues to be viewed as a premium brand with high customer satisfaction. Our customers perceive Blue Dart-DHL as the strongest and leading brand in its category. This is also validated through its dominant market share in the domestic and international markets.

### Opportunities

The express industry is a key enabler in facilitating trade and commerce because of the time-sensitive nature of most goods and the increasing demand for reliability, efficiency and speed. The opportunities are aplenty for the express industry in India as the current logistics spend in India is 13% of the GDP compared to a notably lesser percentage of the same in more developed economies. The need for the highest levels of efficiencies still exists.

Air express remains the preferred option for those looking at reliability, speed and security, and this augurs well with our business model. The ground express too offers huge opportunities due to an increased affluence expanding into tier II and III towns, which are emerging as important nodes of production, consumption and distribution. They enjoy more rapid growth than major metros and provide a wider catchment for suppliers of goods and services, and present interesting distribution opportunities.

The Company has successfully leveraged its proven track record in the air express business by positioning India's finest services in the ground express organized market. The growth in Dart Surfaceline has

# MANAGEMENT DISCUSSION AND ANALYSIS

been exemplary. Blue Dart is focused on delivering value through its robust aviation and ground network, domestic and international reach, market leading transit times, superior technology, innovative and market-defining product launches, and through passionate and dedicated people-force. With strong infrastructure in place, the business is only expected to grow and provide stable revenue streams.

Blue Dart is committed to improving its dominance through focused customer acquisitions and enhancement of customer loyalty from existing and new clients while continuing to open up new markets to service the needs of the customer. The strategy revolves around industry focus and proactive approach on feedback received on a regular basis from the customer touch points. In addition to that, the Company will continue to invest in infrastructure and employees, enhance brand visibility and pursue alliances to meet customer needs on a continuous basis.

## Outlook

According to the Finance Minister, India's economy is expected to grow by 7.5-8.0%<sup>8</sup> in the current fiscal and it could return to the 8-9%<sup>8</sup> growth rates which were seen before the slowdown. India's GDP grew by 6.7%<sup>9</sup> in the last fiscal year after clocking an average annual growth rate of more than 9%<sup>9</sup> in the preceding three years.

## Risks and Concerns

### Economic Scenario

With the growth projections for India having been revised down to 7.5-8.0%<sup>8</sup> in 2009 and less than 8%<sup>8</sup> per cent in 2010, inflationary environment, sluggishness in the manufacturing and service sectors due to decreased demand as a result of the global downturn will be expected to impact the logistic sector resulting in inconsistent demand.

### Government Policy

The proposed Ground Handling Policy at airports would significantly impact the quality of air express and airline operations, and render the business untenable. A review of the policy is critical to exclude air express and airline operations because of the special needs of this segment that are completely different from the passenger segment and because of the significant role air express plays in trade facilitation within the country and across borders. We are making our representation to the Ministry of Civil Aviation. On account of various representations, the proposed Ground Handling Policy has been deferred by the Government. We welcome the decision.

The proposed postal bill is not in tandem with the best global practices and would adversely impact the growth of trade and commerce in the

country. The amendment, if passed in its current format, would annul a 30-year-old business employing over one million people, and would negatively impact thousands across the country who have worked hard to set up infrastructure and build the business, Blue Dart being no exception. We, however, welcome the recent decision to temporarily withdraw the Cabinet Note for Bill.

## Competition

An increasing number of players are entering the express industry and this number is expected to rise. To ensure that Blue Dart remains ahead of the market, the focus is on building its key differentiators of service excellence and innovation and continuing to sustain and enhance its value proposition in a field that is likely to witness strong pressure on yields.

## Airport Facilities

India's aviation growth has given rise to a spate of start-up carriers inducting large numbers of aircraft. Without sufficient improvement in airport infrastructure to support their operations, air operators are subjected to long queues for take-off and landing, resulting in increased ATF and operations costs as well as delay. The fallout of the growth in Indian aviation is a severe constraint in infrastructure facilities such as airport warehouses and parking and transit bays. Anticipating the severe constraints, Blue Dart has made representations to the heads of Mumbai and Delhi airports with requests for facilities, parking and transit bays up to the year (2015), impressing upon them the inadequacy of facilities to support current and future growths, and the necessity for improvements to facilitate Indian trade and business.

## Aviation Turbine Fuel Costs

Volatility in crude oil prices is a cause of major concern globally. Blue Dart has a fuel surcharge mechanism in place since December 2002 to neutralize the impact of the Aviation Turbine Fuel (ATF) costs. This has enabled us to manage and mitigate the phenomenal increase in costs.

## Internal Controls and its Adequacy

Across industries, internal processes control and systems play a critical role in the health of a company. An effective system of internal controls forms a keystone necessary for building, maintaining and improving shareholder's value and helps to enhance the overall quality of the business and enterprise. Blue Dart remains committed to ensuring an effective internal control environment that provides assurance on the efficiency of operations and the security of assets. Blue Dart has a sound internal control system to ensure that all assets are protected against loss from unauthorized use. All transactions are recorded and reported correctly. The Company's internal control system is further

## MANAGEMENT DISCUSSION AND ANALYSIS

supplemented by internal audits carried out by the in-house internal audit teams and the outsourced audit firm, KPMG. Well-established and robust internal audit processes, both at business and corporate levels, continuously monitor the adequacy and effectiveness of the internal control environment across the Company and the status of compliance with operating systems, internal policies and regulatory requirements.

The audit committee of the Board addresses significant issues raised by both the Internal Auditors and Statutory Auditors. The Company also conducts Risk Assessment Workshops to define and identify what the Company's most significant risks are and how those risks can be mitigated. The members of the Senior Management actively participate and deliberate in the Risk Workshops. The Company has been certified to be in conformance with ISO 9001 standards since 1996 and has been successfully re-certified in September 2008 for 3 years, to the new global ISO 9001:2000 standards for "design, management and operations of countrywide express transportation and distribution services within the Indian subcontinent and to international destinations serviced through multinational express companies". The Company has been recently certified and upgraded to the latest ISO 9001:2008 standards.

### Human Resources

People First policies have always been an integral part of the core value of Blue Dart. The highly-motivated and passionate employee environment was amply reflected in the online Employee Satisfaction Survey where 'Pride in working with Blue Dart' remained the highest scoring dimension having a mean score of 4.82.

The Company's overall mean score in the Employee Satisfaction Score (ESS) for the year 2009 was 4.54 (on a scale of 1 to 5). The percentage of employees who were "Satisfied to very Satisfied" was 92.59%. It is a matter of satisfaction that we have received an overall mean score of 4.54 in 2009, which is a positive indicator of continued and stable organizational health and employee engagement.

As part of our endeavour to more actively listen to the voice of the internal customers, the Company had introduced some new dimensions such as Leadership Style, Future Vision, Values, Customer Orientation, and New Initiatives in the ESS survey questionnaire. The mean score received for these dimensions are 4.51, 4.62, 4.60, 4.69 and 4.68 respectively, which is a very encouraging feedback in terms of employees' levels of motivation.

In the difficult economic and business situation of 2009, the Company emphasized on conducting regular feedback through Open House sessions across the organization and introduced Team Brief, a new initiative, to strengthen the internal communication mechanism and align the employees on a regular basis on organisational performance, strategies and initiatives adopted to meet the challenges.

We are very happy to note that multiple Open Houses were conducted by our Managing Director covering all the executives in April 2009 and Manager/Sr. Managers of Head Office and West-1 Region in Nov/Dec, 2009.

Open Houses were convened in all service centres on a quarterly basis to align employees on various strategies and to seek their feedbacks; actions were initiated on their areas of concern.

The Team Briefing sessions by the Managing Director with the Senior Management Team were held every month updating them on various business fronts, progress on new initiatives and strategies for the future. This important initiative allows managers across the country to align all employees with one communication.

In 2009, as part of building customer centricity, the Company's Human Resources Department (HRD) introduced the Delivering Smile module for the frontline staff and around 705 members of the staff were imparted training through in-house/internal trainers. Some of the other major training initiatives pertain to Key to Personal Effectiveness, Self Awareness and Personal Effectiveness, Counter Handling (Retail Training), Package Handling, etc. With the deployment of internal trainers as mentioned above, training man-days of 3.5 was achieved in 2009.

We are committed to implementing integrated HRMS (PRIDE) online module. To this end, Phase I and Phase II of PRIDE which includes modules like Workforce Administration, Talent Acquisition Module Training & Managers Self Service have been successfully designed, mapped, rolled out and implemented. Phase III of PRIDE covering e-performance, Competency Mapping, and Compensation & Budgeting has also been designed and is in the process of final testing and rollout. As part of Phase III, Motiv8, the new Performance Management System, with elements of goal-setting in the form of individual KRAs, mid-year review and final assessment, has been made part of e-performance. As part of the Competency Mapping Module, a competency framework of eight Leadership and Managerial Competencies has been articulated with full description and positive/negative behavioural indicators. With the implementation of Phase III in 2010, the Competencies can be linked to various other HR systems and processes.

To motivate and recognize the employees for their efforts and contribution, three employees were awarded the Employee of the Year Award, 366 employees were given Super Darter/Bravo Blue Darter, and 232 employees were given True Blue awards for completing five years with Blue Dart.

In order to have highly-motivated people and team-bonding, the Initiators Team has organized various events across the country with great zeal. These include the Valentine's Day Special, Holi Celebration, Women's Day Special, Dandiya, Volleyball Tournaments, Cricket

Match, Shuttle Badminton Competition, Friendship Day, Independence Day, Republic Day Celebration, Diya Painting Competition, Children's Painting Competition, Diwali Celebration, Christmas Celebration, BDE Anniversary Celebration, etc.

### Awards and Recognitions

Blue Dart won several awards validating its Brand Equity and Leadership, Human Resource Philosophy, Operational Efficiency and Corporate Governance.

Blue Dart was honoured with the Indy's Brand Leadership Award, Gold Medal, and Glory of India Award for Managing Director by the Institute of Economic Studies, Leader in Prestige and Quality 2008. We also won the Reader's Digest Most Trusted Brand 2009 – Gold Award – for the fourth year in a row, EDGE Award for innovations in optimizing the customer experience in real-time and the Consumer Superbrand for the fifth year in a row. The other awards include the Best Express Provider of the Year at the 3rd Express Logistics & Supply Chain Awards and the Market Leadership Award by the CMO Council.

Blue Dart was conferred the Amity HR Excellence Award for the year 2009, based on the annual comprehensive research on HR practices by Amity International Business School. Blue Dart was also honoured with the Best Employer Brand Award, 2009, in recognition of the Strategic and

## AUDITORS' REPORT TO THE MEMBERS OF BLUE DART EXPRESS LIMITED

1. We have audited the attached Balance Sheet of Blue Dart Express Limited (the 'Company') as at 31st December, 2009, and the related Profit and Loss Account and Cash Flow Statement for the year ended on that date annexed thereto, which we have signed under reference to this report. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by the Companies (Auditor's Report) Order, 2003, as amended by Companies (Auditor's Report) (Amendment) Order, 2004 (together the 'Order'), issued by the Central Government of India in terms of sub-section (4A) of Section 227 of 'The Companies Act, 1956' of India (the 'Act') and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
4. Further to our comments in the Annexure referred to in paragraph 3 above, we report that:
  - (a) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - (c) The Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of account;
  - (d) In our opinion, the Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report comply with the accounting standards referred to in sub-section (3C) of Section 211 of the Act;
  - (e) On the basis of written representations received from the directors, as on 31st December, 2009 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st December, 2009 from being appointed as a director in terms of clause (g) of sub-section (1) of Section 274 of the Act;
  - (f) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements together with the notes thereon and attached thereto give in the prescribed manner the information required by the Act and give a true and fair view in conformity with the accounting principles generally accepted in India:
    - (i) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st December, 2009;
    - (ii) in the case of the Profit and Loss Account, of the profit for the year ended on that date; and
    - (iii) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

## ANNEXURE TO AUDITORS' REPORT

(Referred to in paragraph 3 of the Auditors' Report of even date to the members of Blue Dart Express Limited on the financial statements for the year ended December 31, 2009)

1. a) The Company is maintaining proper records showing full particulars including quantitative details and situation of fixed assets.  
b) The fixed assets of the Company have been physically verified by the management during the year and no material discrepancies between the book records and the physical inventory have been noticed. In our opinion, the frequency of verification is reasonable.  
c) In our opinion and according to the information and explanations given to us, a substantial part of fixed assets has not been disposed of by the Company during the year.
2. a) The inventory of packing and stationery consumables and spares has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable.  
b) In our opinion, the procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.  
c) On the basis of our examination of the inventory records, in our opinion, the Company is maintaining proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to book records were not material.
3. a) The Company has granted unsecured loans to a company covered in the register maintained under Section 301 of the Act. The maximum amount involved during the year aggregates to Rs. 181,509,765.  
b) In our opinion, the rate of interest and other terms and conditions of such loans are not *prima facie* prejudicial to the interest of the Company.  
c) In respect of the aforesaid loans, the party has repaid the principal along with interest during the year.  
d) The Company has not taken any loans, secured or unsecured, from companies, firms or other parties covered in the register maintained under Section 301 of the Act. Accordingly, clauses (iii)(f) and (iii)(g) of paragraph 4 of the Order are not applicable to the Company for the current year.
4. In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchase of inventory and fixed assets and for the sale of services. Further, on the basis of our examination of the books and records of the Company, carried out in accordance with the auditing standards generally accepted in India and according to the information and explanations given to us, we have neither come across nor have we been informed of any continuing failure to correct major weaknesses in the aforesaid internal control system.
5. a) In our opinion and according to the information and explanations given to us, the particulars of contracts or arrangements referred to in Section 301 of the Act have been entered in the register required to be maintained under that section.  
b) In our opinion and according to the information and explanations given to us, the transactions made in pursuance of such contracts or arrangements and exceeding the value of Rupees Five Lakhs in respect of any party during the year have been made at prices which are reasonable having regard to the prevailing market prices at the relevant time.
6. The Company has not accepted any deposits from the public within the meaning of Section 58A and 58AA of the Act and the rules framed there under.
7. In our opinion, the Company has an internal audit system commensurate with its size and nature of its business.
8. The matter specified in clause (viii) of paragraph 4 of the Order regarding maintenance of cost records under clause (d) of sub-section (1) of section 209 of the Act is not applicable to the Company.
9. a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues including provident fund, investor education and protection fund, employees' state insurance, income-tax, wealth tax, service tax, cess and other material statutory dues with the appropriate authorities in India. As informed to us, sales tax, customs duty and excise duty are not applicable to the Company for the current year.  
b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income tax, wealth tax, service tax and cess as at 31st December, 2009, which have not been deposited on account of any dispute. As informed to us, sales tax, customs duty and excise duty are not applicable to the Company for the current year.
10. The Company has no accumulated losses as at 31st December, 2009 and has not incurred any cash losses in the financial year ended on that date or in the immediately preceding financial year.
11. According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of dues to any financial institution or bank or debenture holders as at the balance sheet date.

## ANNEXURE TO AUDITORS' REPORT

(Referred to in paragraph 3 of the Auditors' Report of even date to the members of Blue Dart Express Limited on the financial statements for the year ended December 31, 2009)

- |     |  |     |  |
|-----|--|-----|--|
| 12. | The Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities.   | 18. | The Company has not made any preferential allotment of shares to parties and companies covered in the register maintained under Section 301 of the Act during the year.  |
| 13. | The provisions of any special statute applicable to chit fund/nidhi/ mutual benefit fund/ societies are not applicable to the Company.   | 19. | The Company has not issued any debentures during the year.   |
| 14. | In our opinion, the Company is not a dealer or trader in shares, securities, debentures and other investments.   | 20. | The Company has not raised any money by public issues during the year.   |
| 15. | According to the information and explanations given to us, the terms and conditions of the guarantees given by the Company for loans taken by its associate company, Blue Dart Aviation Limited from banks and financial institutions during the year, considering the service agreement between the two companies, in our opinion, is not prejudicial to the interest of the Company. | 21. | During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have not come across any instance of fraud by the Company, noticed or reported during the year, though a few cases of frauds on the Company, committed by way of theft, embezzlement of cash and misutilisation of credit cards meant to be delivered to third parties, were noticed and reported, which as represented to us do not involve material amounts and are specifically covered by insurance/recovered from the said employees. |
| 16. | The Company has not obtained any term loans during the year.   |     |  |
| 17. | On the basis of an overall examination of the Balance Sheet of the Company, in our opinion and according to the information and explanations given to us, there are no funds raised on short-term basis, which have been used for long-term investment.  |     |  |

<b>1. Significant Accounting Policies</b>					
			<b>(a) Basis of preparation of Financial Statements</b>		
			(The financial statements are prepared to comply in all material aspects with the applicable accounting principles in India, the Accounting Standards notified under sub-section (3C) of Section 211 of the Companies Act, 1956 (the 'Act') and the relevant provisions of the Act.		
			<b>(b) Fixed Assets and Depreciation/Amortisation</b>		
			Fixed assets are stated at cost less accumulated depreciation/amortisation. The Company capitalises all costs relating to the acquisition, installation and substantial modifications to fixed assets.		

# SCHEDULES

Modifications that enhance the operating performance or extend the useful life of fixed assets used but not owned by the Company are also capitalised, where there is a certainty of deriving future economic benefits from the use of such assets.

Depreciation on fixed assets is provided under straight line method at the rates specified in Schedule XIV to the Act, except in respect of the following assets where such rates are higher than the prescribed Schedule XIV rates, so as to ensure that such assets are written off over their estimated useful lives:

<b>Description of Assets</b>	<b>Useful Life (in Years)</b>
Office Equipment	2 to 16
Electrical Equipment	6 to 16
Computers	3 to 6
Aircraft Engines	2 to 7
Aircraft	14
D-Check on Aircraft	7

Individual assets costing upto Rs 5,000 are depreciated 100% on a pro-rata basis over one year from the date the asset is put to use.

Aircraft Components and Overhaul represent the cost of engines overhaul, components and modifications of airframes owned and contractually liable to be incurred by the Company. Such costs are depreciated/ amortised on the basis of hours flown or the life cycle of the overhaul program, as applicable.

Computer software is amortised under straight line method at the rates specified in Schedule XIV to the Act, as prescribed for computers.

Goodwill represents the excess of the value of the erstwhile partnership business as a whole over its net asset value as at the date of registration and is stated at cost less accumulated amortisation. Goodwill is amortised using the straight-line method over a period of 20 years, based upon the brand image of 'Blue Dart' upon acquisition and the consequential impact it has on the future business of the Company.

## **(c) Borrowing Costs**

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as expense in the year in which they are incurred.

## **(d) Impairment of Assets**

The Company assesses at each Balance Sheet date whether there is any indication that asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Profit and Loss Account.

## **(e) Investments**

Long Term Investments are stated at cost. Provision is made to recognise a diminution, other than temporary, in the value of investments. Current Investments are valued at lower of cost and market value.

## **(f) Inventories**

Inventories primarily consist of packing and stationery consumables and spares. These are valued at cost. Cost is calculated at purchase price and expenditure directly attributable to the acquisition of such inventories for bringing it to its present location.

## **(g) Employee Benefits**

### **(i) Short Term Employee Benefits:**

The employees of the Company are entitled to leave encashment as per the leave policy of the Company. The liability in respect of leave encashment of short term nature is provided on an estimated basis.

### **(ii) Long Term Employee Benefits:**

#### **Defined Contribution Plans**

The Company has Defined Contribution Plans for post employment benefits namely Provident Fund and Superannuation Fund which are recognised by the income tax authorities and administered through trustees.

Under the Provident Fund Plan, the Company contributes to a Government administered provident fund on behalf of its employees and has no further obligation beyond making its contribution.

The Superannuation Fund constitutes an insured benefit, which is classified as a defined contribution plan as the Company makes contributions to an insurance company and has no further obligation beyond making the payment to the insurance company.

## SCHEDULES

The Company contributes to State plans namely Employee's State Insurance Fund and Employee's Pension Scheme 1995 and has no further obligation beyond making its contribution.

The Company's contributions to the above funds are charged to revenue every year.

### **Defined Benefit Plans**

The Company has a Defined Benefit Plan namely Gratuity for all its employees. Gratuity Fund is recognised by the income tax authorities and is administered through trustees. The Company has taken a group gratuity policy with Life Insurance Corporation of India and is funded.

Liability for Defined Benefit Plan is provided on the basis of valuations, as at the Balance Sheet Date, carried out by an independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method.

### **Other Long-term Employee Benefits**

The employees of the Company are entitled to other long-term benefits in the form of Leave Encashment and Compensated Absences as per the policy of the Company. Liability for such benefits is provided on the basis of valuations, as at the Balance Sheet Date, carried out by independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method.

- (iii) Termination benefits are recognised as an expense as and when incurred.
- (iv) Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised immediately in the Profit and Loss Account as income or expense.

### **(h) Service Charges**

Service charges for transportation of shipments are recognised as income when shipments are manifested and represent amounts invoiced, net of service tax and all discounts and allowances.

### **(i) Foreign Currency Transactions**

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transactions. Foreign currency denominated assets and liabilities are translated into rupees at the exchange rates prevailing at the date of the Balance Sheet. All exchange differences are dealt with in the Profit and Loss Account.

### **(j) Lease Rentals**

All lease rentals are accounted for on accrual basis over the term of the lease and charged to the Profit and Loss Account under the straight line method.

### **(k) Taxes on Income**

Provision for tax for the year is made on the assessable income at the tax rate applicable to the relevant assessment year.

Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognised for unabsorbed depreciation and carry forward of losses to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

### **(l) Provision for Contingent Liabilities**

The Company recognises a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resource is remote, no provision or disclosure is made.

## **2. Employee Benefits**

The Company has classified the various employee benefits provided to employees as under:-

### **I Defined Contribution Plans**

- a. Provident Fund
- b. Superannuation Fund
- c. State Defined Contribution Plans
  - i. Employers' Contribution to Employee's State Insurance
  - ii. Employers' Contribution to Employee's Pension Scheme 1995

During the year, the Company has recognised the following amounts in the Profit and Loss Account in Schedule 13 under "Contribution to Provident and Other Funds"-

## AUDITORS' REPORT

To the Members of

### CONCORDE AIR LOGISTICS LIMITED

1. We have audited the attached Balance Sheet of Concorde Air Logistics Limited, as at December 31, 2009, and the related Profit and Loss Account and Cash Flow Statement for the year ended on that date annexed thereto, which we have signed under reference to this report. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by the Companies (Auditor's Report) Order, 2003, as amended by the Companies (Auditor's Report) (Amendment) Order 2004, (together the 'Order') issued by the Central Government of India in terms of sub-section (4A) of Section 227 of "The Companies Act, 1956" of India (the 'Act') and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
4. Further to our comments in Annexure referred to in paragraph 3 above, we report that:
  - a. We have obtained all the information and explanations, which to the best of our knowledge and belief, were necessary for the purposes of our audit;
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - c. The Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of account;
  - d. In our opinion, the Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report comply with the accounting standards referred to in sub-section (3C) of Section 211 of the Act;
  - e. On the basis of written representations received from the directors, as on December 31, 2009 and taken on record by the Board of Directors, none of the directors is disqualified as on December 31, 2009 from being appointed as a director in terms of clause (g) of sub-section (1) of Section 274 of the Act;
  - f. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements together with the notes thereon and attached thereto give in the prescribed manner the information required by the Act and give a true and fair view in conformity with the accounting principles generally accepted in India:
    - (i) in the case of the Balance Sheet, of the state of affairs of the Company as at December 31, 2009;

## ANNEXURE TO AUDITORS' REPORT

**[Referred to in paragraph 3 of the Auditors' Report of even date to the members of Concorde Air Logistics Limited on the financial statements for the year ended December 31, 2009]**

- (1) (a) The Company is maintaining proper records showing full particulars including quantitative details and situation of its fixed assets.
- (b) The fixed assets of the Company have been physically verified by the management during the year and no material discrepancies between the book records and the physical inventory have been noticed. In our opinion the frequency of verification is reasonable.
- (c) In our opinion and according to the information and explanations given to us, a substantial part of fixed assets has not been disposed of by the Company during the year.
- (2) (a) The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 301 of the Act. Accordingly, clause (iii)(b) to (iii)(d) of paragraph 4 of the Order are not applicable to the Company for the current year.
- (b) The Company has not taken any loans, secured or unsecured, from companies, firms or other parties covered in the register maintained under Section 301 of the Act. Accordingly, clause (iii)(f) to (iii)(g) of paragraph 4 of the Order are not applicable to the Company for the current year.
- (3) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the company and the nature of its business for the purchase of fixed assets and sale of services. Further, on the basis of our examination of the books and records of the Company, carried out in accordance with the auditing standards generally accepted in India and according to the information and explanations given to us, we have neither come across nor have been informed of any continuing failure to correct major weaknesses in the aforesaid internal control system.
- (4) According to the information and explanations given to us, there have been no contracts or arrangements referred to in Section 301 of the Act during the year to be entered in the register required to be maintained under that Section. Accordingly commenting on transaction made in pursuance of such contract or arrangements does not arise.
- (5) The Company has not accepted any deposits from the public within the meaning of Sections 58A of the Act and the rules framed there under.
- (6) In our opinion, the Company has an internal audit system commensurate with its size and nature of its business.
- (7) The matter specified in clause (viii) of paragraph 4 of the Order regarding maintenance of cost records under clause (d) of sub-section (1) of Section 209 of the Act is not applicable to the Company.
- (8) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, service tax, cess and other material statutory dues, as applicable, with the appropriate authorities in India. As informed to us investor education and protection fund, sales-tax, wealth tax, customs duty and excise duty are not applicable to the company for the year.
- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income tax, service tax and cess which have not been deposited on account of any dispute. As informed to us, sales-tax, wealth tax, customs duty and excise duty are not applicable to the Company for the year.
- (9) The Company has no accumulated losses as at December 31, 2009 and it has not incurred any cash losses in the financial year ended on that date or in the immediately preceding financial year.
- (10) According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of dues to any financial institution or bank or debenture holders as at the Balance Sheet date.
- (11) The Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities.
- (12) The provisions of any special statute applicable to chit fund/nidhi/ mutual benefit fund/societies are not applicable to the Company.
- (13) In our opinion, the Company is not a dealer or trader in shares, securities, debentures and other investments.
- (14) According to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions during the year.
- (15) The Company has not obtained any term loans.

## ANNEXURE TO AUDITORS' REPORT

- (16) On the basis of an overall examination of the Balance Sheet of the Company, in our opinion and according to the information and explanations given to us, there are no funds raised on a short-term basis which have been used for long-term investment.
- (17) The Company has not made any preferential allotment of shares to parties and companies covered in the register maintained under Section 301 of the Act during the year.
- (18) The Company has not issued any debentures during the year.
- (19) The Company has not raised any money by public issue during the year.
- (20) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud on or by the Company, noticed or reported during the year, nor have we been informed of such case by the management.
- (21) The clause (ii) of paragraph 4 of the Order is not applicable to the Company for the current year, since in our opinion there is no matter which arises to be reported in the aforesaid Order.

## SCHEDULE 14

### NOTES TO ACCOUNTS

#### 1. Significant Accounting Policies

##### (a) Basis of preparation of Financial Statements

The financial statements are prepared to comply in all material aspects with the applicable accounting principles in India, the accounting standards notified under sub section (3C) of Section 211 of the Companies Act, 1956 (the 'Act') and the other relevant provisions of the Act. The significant accounting policies are as follows:-

##### (b) Fixed Assets and Depreciation/Amortisation

Fixed assets are stated at cost less accumulated depreciation/amortisation. The Company capitalises all costs relating to the acquisition, installation and substantial modifications to fixed assets.

Depreciation on fixed assets is provided under straight line method at the rates specified in Schedule XIV to the Act, except in respect of the following assets where such rates are higher than the prescribed schedule XIV rates, so as to ensure that such assets are written off over their estimated useful lives:

Description of Assets	Useful Life (in years)
Office Equipment	15
Electrical Equipment	15

Assets individually costing less than Rs. 5,000 are fully depreciated in the year of acquisition.

Computer software is amortised under straight line method at the rates specified in Schedule XIV to the Act, as prescribed for computers.

Goodwill represents the excess of the value of the erstwhile partnership business as a whole over its net asset value as at the date of registration and is stated at cost less accumulated amortisation. Goodwill is amortised using the straight line method over a period of 10 years.

##### (c) Investments

Long Term Investments are stated at cost. Provision is made to recognise a diminution, other than temporary, in the value of investments. Current Investments are valued at lower of cost and market value.

##### (d) Service Charges

- (i) Service charges for clearing and forwarding of shipments are recognised as income when shipments are manifested and

represent amounts invoiced, net of service tax, exchange fluctuations and all discounts and allowances.

- (ii) Commission is accrued when cargo is delivered to the custody of the airline and the master airway bill is issued.

##### (e) Employee Benefits

- (i) Short Term Employee Benefits:

The employees of the Company are entitled to leave encashment as per the leave policy of the Company.

- (ii) Long Term Employee Benefits:

##### Defined Contribution Plan

The Company has Defined Contribution plans for post employment benefits in the form of Provident Fund which are recognised by the income tax authorities and administered through Government of India.

Under the Provident Fund Plan, the Company contributes to a Government administered provident fund on behalf of its employees and has no further obligation beyond making its contribution.

The Company contributes to State plans namely Employee's State Insurance Scheme and Employee's Pension Scheme 1995 and has no further obligation beyond making its contribution.

The Company's contributions to the above funds are charged to revenue every year.

##### Defined Benefit Plan

The Company has a Defined Benefit plan namely Gratuity for all its employees.

Liability for Defined Benefit Plan is provided on the basis of valuations, as at the Balance Sheet Date, carried out by an Independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method.

##### Other Long-Term Employee Benefits

The employees of the company are entitled to other long-term benefits in the form of Leave Encashment as per the policy of the company. Liability for such benefits is provided on the basis of valuations, as at the Balance Sheet date, carried out by independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit method.

- (iii) Termination benefits are recognised as an expense as and when incurred.

## SCHEDULES

(iv) Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised immediately in the Profit and Loss Account as income or expense.

### **(F) Foreign Currency Transactions**

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transactions. Gains and losses arising out of subsequent fluctuations are accounted for on actual payment or realisation. Monetary items denominated in foreign currency as at Balance Sheet date are converted at the exchange rates prevailing on that date. Exchange differences are recognised in the Profit and Loss Account.

### **(G) Taxes on Income**

Provision for income-tax for the year is made on the assessable income at the tax rate applicable to the relevant assessment year.

Deferred tax is recognised, subject to prudence in respect of deferred tax assets, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognised for unabsorbed depreciation and carry forward of losses to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

### **(H) Provisions and Contingent Liabilities**

The Company recognises a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

### **(I) Impairment of Assets**

The Company assesses at each Balance Sheet date whether there is any indication that asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Profit and Loss Account.

**2 The Company has classified the various employee benefits as under :-**

- I   Defined Contribution Plans
- a.   Provident Fund
- b.   State Defined Contribution Plans
- i.   Employers' Contribution to Employee's State Insurance Scheme
- ii.   Employers' Contribution to Employee's Pension Scheme 1995

During the year, the Company has recognised the following amounts in the Profit and Loss Account -

	<b>Year ended December 31, 2009</b>	<b>Year ended December 31, 2008</b>
	<b>In Rs. ('000)</b>	<b>In Rs. ('000)</b>

## AUDITORS' REPORT TO THE BOARD OF DIRECTORS OF BLUE DART EXPRESS LIMITED ON THE CONSOLIDATED FINANCIAL STATEMENTS OF BLUE DART EXPRESS LIMITED AND ITS SUBSIDIARY

1. We have audited the attached Consolidated Balance Sheet of Blue Dart Express Limited (the 'Company') and its subsidiary (the 'Group'), as at 31st December, 2009, and the related Consolidated Profit and Loss Account and Consolidated Cash Flow Statement for the year ended on that date annexed thereto, which we have signed under reference to this report. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are prepared, in all material respects, in accordance with an identified financial reporting framework and are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. We report that the consolidated financial statements have been prepared by the Company in accordance with the requirements of Accounting Standard 21, Consolidated Financial Statements and Accounting Standard 23, Accounting for Investments in Associates in Consolidated Financial Statements, notified under sub-section (3C) of Section 211 of the Companies Act, 1956 and on the basis of the separate audited financial statements of the Company and its subsidiary included in the Consolidated Financial Statements.
4. On the basis of the information and explanations given to us and on consideration of the separate audit reports on individual audited financial statements of the Company and its subsidiary, in our opinion, the Consolidated Financial Statements give a true and fair view in conformity with the accounting principles generally accepted in India:
  - (a) in the case of the Consolidated Balance Sheet, of the consolidated state of affairs of the Group as at 31st December, 2009;
  - (b) in the case of the Consolidated Profit and Loss Account, of the consolidated results of operations of the Group for the year ended on that date; and
  - (c) in the case of the Consolidated Cash Flow Statement, of the consolidated cash flows of the Group for the year ended on that date.

		D-Check on Aircraft	7	

# SCHEDULES

Individual assets costing upto Rs 5,000 are depreciated 100% on a pro-rata basis over one year from the date the asset is put to use.

Aircraft Components and Overhaul represent the cost of engines overhaul, components and modifications of airframes owned and contractually liable to be incurred by the Company. Such costs are depreciated/amortised on the basis of hours flown or the life cycle of the overhaul program, as applicable.

Computer software is amortised under straight line method at the rates specified in Schedule XIV to the Act, as prescribed for computers.

Goodwill represents the excess of the value of the erstwhile partnership business as a whole over its net asset value as at the date of registration and is stated at cost less accumulated amortisation. Goodwill is amortised using the straight-line method over a period of 20 years, based upon the brand image of 'Blue Dart' upon acquisition and the consequential impact it has on the future business of the Company.

Blue Dart	19 Years
Concorde	9 Years

## (c) Borrowing Costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as expense in the year in which they are incurred.

## (d) Impairment of Assets

The Company assesses at each Balance Sheet date whether there is any indication that asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Profit and Loss Account.

## (e) Investments

Long Term Investments are stated at cost. Provision is made to recognise a diminution, other than temporary, in the value of investments. Current Investments are valued at lower of cost and market value.

## (f) Inventories

Inventories primarily consist of packing and stationery consumables and spares. These are valued at cost. Cost is calculated at purchase price and expenditure directly attributable to the acquisition of such inventories for bringing it to its present location.

## (g) Employee Benefits

### (i) Short Term Employee Benefits :

The employees of the Company are entitled to leave encashment as per the leave policy of the Company. The liability in respect of leave encashment of short term nature is provided on an estimated basis.

### (ii) Long Term Employee Benefits :

#### Defined Contribution Plans

The Company has Defined Contribution plans for post employment benefits namely Provident Fund and Superannuation Fund which are recognised by the income tax authorities and administered through trustees.

Under the Provident Fund Plan, the Company contributes to a Government administered provident fund on behalf of its employees and has no further obligation beyond making its contribution.

The Superannuation Fund constitutes an insured benefit, which is classified as a defined contribution plan as the Company makes contributions to an insurance company and has no further obligation beyond making the payment to the insurance company.

The Company contributes to State plans namely Employee's State Insurance Fund and Employee's Pension Scheme 1995 and has no further obligation beyond making its contribution.

The Company's contributions to the above funds are charged to revenue every year.

#### Defined Benefit Plans

The Company has a Defined Benefit plan namely Gratuity for all its employees. Gratuity Fund is recognised by the income tax authorities and is administered through trustees. The Company has taken a group gratuity policy with Life Insurance Corporation of India and is funded.

Liability for Defined Benefit Plan is provided on the basis of valuations, as at the Balance Sheet Date, carried out by an independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method.

#### Other Long-term Employee Benefits

The employees of the Company are entitled to other long-term benefits in the form of Leave Encashment and Compensated Absences as per the policy of the Company. Liability for such benefits is provided on the basis of valuations, as at the Balance Sheet date, carried out by independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit method.

# SCHEDULES

- (iii) Termination benefits are recognised as an expense as and when incurred.
- (iv) Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised immediately in the Profit and Loss Account as income or expense.

## (h) Service Charges

- (i) Service charges for transportation of shipments are recognised as income when shipments are manifested and represent amounts invoiced, net of service tax and all discounts and allowances.
- (ii) Commission is accrued when cargo is delivered to the custody of the airline and the master airway bill is issued.

## (i) Foreign Currency Transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transactions. Foreign currency denominated assets and liabilities are translated into rupees at the exchange rates prevailing at the date of the Balance Sheet. All exchange differences are dealt with in the Profit and Loss Account.

## (j) Lease Rentals

All lease rentals are accounted for on accrual basis over the term of the lease and charged to the Profit and Loss Account under the straight line method

## (k) Taxes on Income

Provision for tax for the year is made on the assessable income at the tax rate applicable to the relevant assessment year.

Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognised for unabsorbed depreciation and carry forward of losses to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

## (l) Provision for Contingent Liabilities

The Company recognises a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resource is remote, no provision or disclosure is made.
